DRINKING, SNACKING, STYLING

THESE SCHOOL ACCESSORIES ARE SETTING THE TONE NOW

The school bell rings, the books are ready, the LÄSSIG Unique school bag is eagerly waiting to finally go on an adventure again. The only thing that's missing are the matching accessories! And because drinking plenty of liquids is essential for survival at school, LÄSSIG is presenting stylish stainless steel drinking bottles in the colors Rose, Light Blue and Green for the new season. Snacks for recess can be wonderfully stowed in the two-tone stainless steel lunchboxes, which are perfectly color-coordinated with the bottles. True to the motto „Pimp your LÄSSIG bag“, there is also a cool selection of creative school patches. From Dragon Fly to Smile to Forest – the trendy themed stickers and tags give every school bag an individual look.

BOTTLE STAINLESS STEEL

The robust BPA-free stainless steel drinking bottles are ideal companions for everyday school life. Leak-proof and unbreakable, they are suitable for all kinds of adventures and can be used for cool, still and lukewarm drinks. The bottles are available with two different drinking closures: a sports cap made of polypropylene, which makes independent drinking particularly easy, and a screw cap with a stainless steel handle, which makes the bottle easy to carry and fasten.

Material: Bottle: stainless steel | Lid: polypropylene (PP) (with silicone ring) | Clip: stainless steel
