Product safety recall

Lässig GmbH is recalling the following product:

- Name: Rolling toys wood set 4 pcs little Mateys
- Article number: 13130450010, PO-6983, EAN: 4066239151032
- On the market since: 01.11.2024

Why is the product dangerous?

We are recalling the Lässig brand wooden toy with wheels due to a safety risk. It has been established that small parts that can be swallowed may come loose due to the wheels not being properly attached.

What is to be done?

- If you have purchased this product, please stop using it immediately.
- Return the product to the retailer from whom you purchased it.

Corrective measures for consumers

You will receive the full purchase price back from the retailer or a product refund.
