

## Instructions for returning products with built-in lithium-ion battery

1. **Please print this page in original size (DIN A4) and in color.** If color printing is not possible, please mark the border in red.
2. **Cut out the red bordered dangerous goods sticker at the dotted line** and stick it together **with the return label on the package.** A sturdy cardboard box should be used.
3. If you have **any questions**, please send us an e-mail: **[service@laessig-gmbh.de](mailto:service@laessig-gmbh.de)**

**Please cut out the dotted line and stick it on the outside of the package:**
